

ENGLISH 7-12- BACHELOR OF ARTS

Bachelor of Arts

The Bachelor of Arts (BA) degree requires two years of the same foreign language (12 SCH) as part of the general-education requirements. Two years of study in the same foreign language in high school may substitute for the first year (6 SCH) of the same language at the university level. Students may not complete all bachelor's degrees as a BA. See the degree program listing for the programs that allow the BA option.

Students should refer to their DegreeWorks degree audit in their Web for Students account for more information regarding their degree requirements.
