

MASTER OF SCIENCE IN COUNSELING-CLINICAL MENTAL HEALTH COUNSELING

The Clinical Mental Health Counseling program is nationally accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP) (<http://www.cacrep.org/>).

Mission Statement

The Texas A&M University-Texarkana Counseling Program, through high quality instruction develops talented counselors, life-long learners and leaders in our field. Graduates of our program serve the mental health needs of the diverse residents of Texas, boarder states, throughout the country, and around the world. Graduates are expected to serve as actively engaged agents of change in providing care for diverse populations. Through ethical practice and professional conduct, our graduates are expected to advocate for the field, serve their clients and meet the needs of an ever-changing world.

Admission Requirements

- Baccalaureate degree
- Minimum of cumulative 3.00 GPA
- Three current (within the last 6 months) letters of support from faculty, professional mentors, and/or employers. Must be dated and signed with contact information.
- Letter of Intent: Adhering to Current APA Guidelines; 3 Pages: Why Clinical Mental Health Counseling speaks to me: my journey to choosing this path
- Resume
- Successful in-person interview with program faculty

Requirements must be submitted to the Graduate Studies Office by the designated deadline of first semester enrollment. Designated deadlines are listed below:

- June 15- For Fall semester registration
- October 15 - For Spring semester registration
- Considerations for late applications will not be accepted beyond two weeks before the start of the semester. All late considerations are contingent upon availability.
