

MASTER OF BUSINESS ADMINISTRATION - QUANTITATIVE FINANCE

The Master of Business Administration (MBA) degree with a major in Quantitative Finance (QFIN) satisfies a growing need for a highly skilled workforce trained in technology and mathematical finance. The field of Finance is inherently a quantitative discipline, and the STEM designation demonstrates the ability to capture the demand of those needing a technical Finance background.

Pending SACSCOC Approval

Available Summer 2026

Students will choose one of 2 available tracks for the Quantitative Finance major:

- Quantitative Finance Track (<http://catalog.tamut.edu/graduate-studies/business-engineering-technology/business/quantitative-finance/quantitative-finance-track/>)
