

TEXAS A&M UNIVERSITY-TEXARKANA AT NTCC

As a result of the academic partnership between Northeast Texas Community College (NTCC) and Texas A&M University-Texarkana (A&M-Texarkana), guided pathways have been developed between NTCC and A&M-Texarkana faculty and staff through which students can earn their associate's degree with NTCC and then transfer to A&M-Texarkana to complete their baccalaureate degree. For the selected guided pathways listed below without an asterisk (*), the bachelor's degree can be completed on the NTCC campus with a combination of face-to-face, web-enhanced (50% online with 50% face-to-face), and/or web-based (100% online) courses. No matter the delivery method, students earning bachelor's degrees on the NTCC campus in Mount Pleasant will be taught by outstanding faculty using best-practice strategies.

A&M-Texarkana has also partnered with NTCC on guided pathway plans for additional bachelor's degree options that require travel to A&M-Texarkana's main campus in Texarkana, Texas. These degree plans are listed below and are marked with an asterisk (*). All course work for NTCC's associate's degree plans can be completed on the NTCC campus in Mount Pleasant, Texas. Students are only required to travel for the A&M-Texarkana courses not offered through distance education formats.

The Texas A&M University-Texarkana at Northeast Texas Community College office in Mount Pleasant, Texas is happy to assist you with any of the following degree plans. For any questions, please call 903-434-8357 or email sreynolds@tamut.edu.
